Objective Statement

Forgov Solutions, LLC a minority-owned business, specializes in delivering cutting-edge IT solutions tailored to meet the evolving needs of organizations. Our focus is to offer businesses and government agencies scalable, secure, and cost-effective hardware, software, and network integration services to tackle their specific challenges.

Past Performance

Project: AWS Network Migration

Client: Korn Ferry

Contact Name: Brent Lawson

Contract Length: 2022-2023

Scope of Work: Comprehensive AWS Network migration. Migrated on premises network infrastructure to the AWS cloud, enabling them to optimize performance, reduce operational costs, and enhance scalability.

Project: Cisco Viptela SD-WAN Migration

Contact Name: Amy Benga

Client: Truist Bank

Contract Length: 2022-2024

Scope of Work: Modernize the bank's network infrastructure, improving operational efficiency, network agility, and reducing overall costs by transitioning from legacy MPLS to an advanced SD-WAN solution.

Differentiators

Forgov Solutions, LLC uses expertise in commercial and federal environments to deliver innovative solutions that enhance performance, security, and optimize budgets.
